#### **Independent Auditor's Report**

Raymond Chabot Grant Thornton LLP 507 Victoria Street Edmundston, New Brunswick E3V 2K9

T 506-739-1144

To His Honor the Mayor and Members of City Council of Edmundston

#### **Opinion**

We have audited the consolidated financial statements hereafter "the financial statements" of Edmundston (hereafter "the Municipality"), which comprise the statement of consolidated financial position as at December 31, 2020, and the consolidated statements of operations and accumulated surplus, the statement of changes in net debt and the statement of cash flows for the year then ended, and notes to consolidated financial statements, including a summary of significant accounting policies, and the consolidated schedules.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2020, and the results of its operations and accumulated surplus, the change in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the consolidated financial statements" section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of matter – financial information prepared for tax purposes

We draw attention to the fact that the municipality includes in its financial statements certain financial information that is not required by the Canadian public sector accounting standards. This information, prepared in accordance with the Province of New Brunswick's municipal financial reporting guide presented on pages 28 and 32, focuses on determining the surplus (deficit) for the year. Our opinion is not modified in respect of this matter.

#### Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidatedfinancial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

#### Auditor's responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information
  of the entities or business activities within the group to express an opinion on
  the consolidated financial statements. We are responsible for the direction,
  supervision and performance of the group audit. We remain solely responsible
  for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes and consolidated schedules are an integral part of the consolidated financial statements.

#### **Notes to Consolidated Financial Statements**

As at December 31, 2020

#### 1 - GOVERNING STATUTES AND PURPOSE OF THE ORGANIZATION

The Municipality, formaly known as City of Edmundston, was incorporated as a city by the Province of New Brunswick *Municipalities Act* in 1905 and then merged with the city of Saint-Basile, the Village of Saint-Jacques and the Village of Verret under the article 2 on May 25, 1998 to become Edmundston. As a municipality, Edmundston is exempt from income tax under section 149(1)(c) of the *Canadian Income Tax Act*. The Municipality has the following vision statement: "An open, energetic, creative city".

#### 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Municipality are the responsibility of management and are prepared in accordance with the Canadian public sector accounting standard in the CPA Canada Public Sector Accounting Handbook.

Significant aspects of the accounting policies adopted by the Municipality are as follows:

#### Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenses and changes in net debt and cash flows of the reporting entity. The city of Edmundston is comprised of all organizations and enterprises accountable for the administration of their affairs and resources to the Municipality and which are owned or controlled by the Municipality. It includes the management of a golf and recreational activities.

All interfund assets, liabilities, revenues and expenses have been eliminated.

The entities included in the consolidated financial statements are as follows:

Centre des Arts La Petite Église d'Edmundston Inc.

Gestion Edmundston Golf Management Inc.

Moitié-Moitié Centre Jean-Daigle Inc.

#### **Budget**

The budget figures contained in these financial statements were approved by the City Council on December 17, 2019 and the Minister of Local Government on January 9, 2020.

#### **Government transfers**

Government transfers are recognized in the consolidated financial statement as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made. Transfers received for which expenses are not yet incurred are included in deferred revenue.

#### Revenue recognition

Unrestricted revenues are recorded on an accrual basis and are recognized when collection is reasonably assured. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred.

Other revenue is recorded when it is earned.

### **Edmundston Notes to Consolidated Financial Statements**

As at December 31, 2020

#### 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### **Deferred revenues**

Deferred revenues includes grants, contributions and other amounts received from third parties pursuant to legislation, regulation and agreement which may only be used in certain programs, in the completion of specific work, or for the purchase of tangible capital assets. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired. In addition, all funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenues until used for the purpose specified.

#### Use of estimates

The preparation of the consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenues and expenses during the reported period. These estimates are reviewed periodically, and as adjustment become necessary, they are reported in earnings in the period in which they become known. Actual results may differ from those estimates. The main estimates include the provision for doubtful accounts with respect to accounts receivable, the useful lives of long lived assets, the provision for post employment benefits and the amount of certain accrued liabilities.

#### Cash and cash equivalents

The Municipality's policy is to present in cash and cash equivalents bank balances, including bank overdrafts whose balances fluctuate frequently from being positive to overdrawn, and investments with a maximum maturity of three months from the acquisition date or redeemable at any time without penalty.

#### Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the change in net debt for the year.

#### Inventory of supplies

Inventory of supplies consist mainly of parts and materials for roads, water and sewer systems and electrical utility system maintenance and is valued at the lower of cost or replacement cost. Cost is determined using the weighted average cost method.

#### 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Tangible capital assets

Tangible capital assets acquired are recorded at cost. When the Municipality receives contributions of capital assets, their cost is equal to their fair value at the contribution date.

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost of the tangible capital asset is amortized on a straight line basis over the estimated useful life as follows:

|  | Periods     |
|--|-------------|
| Land improvements                                    | 5-25 years  |
| Buildings  | 20-60 years |
| Vehicles   | 7-25 years  |
| Machinery and equipment                              | 3-15 years  |
| Water and wastewater facilities                      | 20-60 years |
| Electrical facilities                                | 20-60 years |
| Roads, sidewalks, storm sewers, water and sewer main | 15-50 years |

#### Asset under construction

All assets under construction are not amortized until the asset is substantially complete and put into use.

#### Contribution of tangible capital assets

Tangible capital assets received as contributions are recorded in the consolidated statement of financial position at their fair value at the date of receipt and also recorded as revenue.

#### Write-down

When conditions indicate that a tangible capital asset no longer contributes to the Municipality's ability to provide goods and services, or that the value of future economic benefits associated with the tangible capital asset is less than its net carrying amount, the cost of the tangible capital asset is reduced to reflect the decline in value. Any write-down of tangible capital assets is accounted for as expenses in the statement of operations and any write-downs are not subsequently reversed.

#### Post employment benefits

The Municipality recognizes its obligations under post employment benefit plans and the related costs, net of plan assets. The Municipality has a sick leave benefit as documented in note 12 and a long-term service award and pension plan as documented in note 13.

#### Segment disclosures

The Municipality is a diversified municipal unit that provides a wide range of services to its residents. For management reporting purposes, the Municipality's operations and activities are organized and reported by function. This presentation was created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations. Municipal services are provided by departments as follows:

#### 12 - ACCRUED SICK LEAVE

The Municipality provides sick leave that accumulates at 1 day per month for management staff and employees of Local 60. Management staff can accumulate a maximum of 260 days of sick leave while employees of Local 60 can accumulate a maximum of 130 days. The Municipality also provides sick leave that accumulates at 10 hours per month for the firefighters of Local 60. These firefighters can accumulate a maximum of 2,080 hours. The Municipality provide sick leave that accumulates at 12 hours per month for the policeman of Local 558 to a maximum of 2,080 hours. An employee can take a leave with pay for an amount of time equal to the accumulated sick leave.

An actuarial valuation was performed on the 198 employees plan in accordance with PSA 3255. The actuarial method used was the Projected Unit Credit pro-rated on service to expected usage. The valuation was based on a number of assumptions about future events, such as interest rates, wage and salary increases and employee turnover and retirement. The assumptions used reflects the Municipality's best estimates.

#### **Notes to Consolidated Financial Statements**

As at December 31, 2020

#### 12 - ACCRUED SICK LEAVE (Continued)

The following summarizes the major assumptions in the valuation:

- discount rate of engagement at 5%;
- annual salary increase of 3.5%;
- mortality age was determined according to the table "CPM 2014 Mortality Table", projected by year of birth using scale B, adjusted according to the size;
- leaving age was determined by the rate associated with age;
- · retirement age was determined by the rates related to age and service, and
- number of days of sick leave used per year:
  - Management Staff: 5.7
  - Local 60 (blue and white collar): 10.3
  - o Local 60 (firefighters): 7.0
  - Local 558 (policemen): 6.5

The unfunded liability was \$3,312,000 as at December 31, 2020 (\$3,525,000 as at December 31, 2019). An amount of \$4,821,825 was accounted for in the operating budgets since the year ended December 31, 2012.

#### 13 - POST EMPLOYMENT BENEFITS PAYABLE

#### Defined benefit pension plan

The Municipality sponsors a contributory defined benefit pension plan for substantially all of its employees. The average age of the 188 active employees covered by the plan is 46.8 years. At present, the plan provides benefits for 143 retirees with an average age of 69.5 years.

#### Normal retirement

The normal retirement date is the first day of the month coincident with or next following the sixty-fifth (65th) birthday.

#### Early retirement

The participant may retire on the first day of any month in the period of ten (10) years before the normal retirement date.

The amounts of contributions payable to fund benefits for the service rendered by the participants are determined as follows for employees other than the appointed officers:

- Employee contributions: 9% of salary.
- Employer contributions: 4.8% of employee earning.

In addition, the annual amortization payment in the amount of \$811,561 and expenses not related to investments in the amount of \$175,000 are paid by the employer.

#### **Notes to Consolidated Financial Statements**

As at December 31, 2020

#### 13 - POST EMPLOYMENT BENEFITS PAYABLE (Continued)

The amounts of contributions payable to fund benefits for the sevice rendered by the officers appointed are determined as follows:

• Employer contribution: 13.8% of salary.

Total benefits payments to retirees during the year was approximately \$3,019,981 (\$3,073,871 in 2018). Pension fund assets are invested in Canadian Equity Funds, Fixed Income Funds and Global Equity Funds and short term investments.

Actuarial evaluations for accounting purposes are performed annually using the Projected Benefit Method. The most recent actuarial evaluation was prepared on December 31, 2019 and at that time, the pension plan had an accrued benefit surplus of \$5,325,620.

The actuarial valuation was based on a number of assumptions about future events, such as inflation rate, interest rates, wage and salary increase and employee turnover and mortality. The assumptions used reflect the Municipality's best estimates.

The following summarizes the major assumptions in the valuation:

- discount rate of engagement at 5.75%;
- the rate of wage increase was 3.5% (nil for disabled participants);
- the rate of increase of the maximum pensionable earning (MPE) is 3%;
- the rate of increased in the maximum pension of the Canadian Income Tax Act is 3%;
- the expected inflation rate is 2%;
- the indexation of pensions for which revaluation is expected is 0.1%, except for pensions in respect of services from Saint-Basile which are indexed at 2% per year
- interest rates on salary contribution of 3%.

Combined employer and employee contributions during the year were \$3,029,754 (\$3,073,871 in 2018).

Actuaries for the Municipality have not yet done the valuation at the date of the financial statements in order to determine the position of the pension benefits as at December 31, 2020.

The statement of financial position of the plan as at December 31, 2019 was as follows:

| Assets continuity                 | \$ 74,371,520 |
|-----------------------------------|---------------|
| Actuarial liabilities             |               |

#### 14 - CONTINGENCIES

In the normal course of operations, the Municipality becomes involved in various claims and legal proceedings. While the final outcome with respect to claims and legal proceedings pending at December 31, 2020 cannot be predicted with certainty, it is the opinion of management and council that resolution of these matters will not have a material adverse effect as the Municipality maintains insurance coverage in amounts considered appropriate.

Moreover, the Municipality has endorsed the line of credit of Gestion Edmundston Golf Management Inc. The maximal risk in regard to this endorsement is \$140,000, however the maximal amount permitted is 40 000\$. The Municipality estimates that the amount it could be called upon to honor is low.

#### 15 - COMMITMENTS

The Municipality has committed itself by contract until 2021 for snow removal services, until 2022 for the garbage and waste collection, until 2021 for the rental of vehicles, until 2024 for the rental of office equipment, until 2024 for a contribution to an organization in order to operate an airport and until 2026 for the rental of security equipment. The future minimum payment for theses commitments is established to \$2,628,529. Minimum payments over the next five years are as follows:

2020 - \$ 1,369,443 2021 - \$ 950,575 2022 - \$ 174,115 2023 - \$ 99,115 2024 - \$ 17.640

The commitment for the snow removal services and the garbage and waste collection will be renewable with a mutual agreement between the Municipality and the contractor.

The Municipality is committed, according to the agreement signed with the Province of New Brunswick under the "Infrastructure Program - Canada-New Brunswick", to contribute to the Water and Sewer Capital Assets Reserve Fund, an annual amount of \$25,000 for a minimum period of 25 years ending in 2026, or until the reserve fund reaches the sum of \$625,000.

#### 16 - REPORTING TO THE PROVINCE OF NEW BRUNSWICK

The Municipality complies with PSAB accounting standards. The Municipality is also required to comply with the Municipal Financial Reporting Manual prescribed by the Province of New Brunswick ("PNB"). Differences in accounting policies include the methodology for accounting of tangible capital assets, government transfers and liability accruals for the pension fund and other retirement benefits. The PSAB also requires full consolidation of funds.

Note 23 provides a reconciliation between fund reporting required by PNB and current year-PSAB.

#### **Notes to Consolidated Financial Statements**

As at December 31, 2020

#### 17 - SHORT-TERM BORROWING COMPLIANCE (Continued)

#### Operating borrowing

As prescribed in the *Municipalities Act*, borrowing to finance General Fund operations is limited to 4% of the municipality's operating budget. Borrowing to finance Utility Fund operations is limited to 50% of the operating budget for the year. In 2020, the Municipality is in compliance with these restrictions.

#### Interfund borrowing

The Municipal Financial Reporting Manual requires that short-term interfund borrowings be repaid in next year unless the borrowing is for a capital project. The amounts payable between Funds are in compliance with the requirements.

#### 18 - WATER AND SEWER FUND SURPLUS/DEFICIT

The *Municipalities Act* requires Water and Sewer Fund surplus/deficit amounts to be absorbed into one or more of three operating budgets commencing with the second next ensuing year. The balance of the surplus at the end of the year consists of:

|                | 2020   | 2019   |
|----------------|--------|--------|
|                | \$     | \$     |

| 2018 - Surplus |        | 33,190 |
|                | 46,150 | 63,099 |

#### 19 - WATER COST TRANSFER

The Municipality's water cost transfer for fire protection is within the maximum allowable by Regulation 81-195 under the *Municipalities Act* based upon the applicable percentage or water system expenditures for the population.
